Photoshop, Premiere

**SAMUEL ANDERSON ARCHITECTS | JUNIOR ARCHITECT**  
New York, NY 2016-2019

### Museum of Fine Arts, Boston Conservation Center

Design Development through Construction Administration: produced entire document set, designed millwork and public engagement, developed renderings for publication and fundraising, coordinated with users, consultants, and contractors throughout design and construction administration.

### American Antiquarian Society Addition & Expansion

Construction Documents through Construction Administration: developed copper facade studies, produced document set, coordinated with users and consultants, construction administration

### Art Museums of Colonial Williamsburg Addition & Expansion

Design Development through Construction Documents: Design of new entry experience, galleries, cafeteria, and auditorium.

### Archaeological Collections Building

Programming and Schematic Design: organization and inventory of existing collections, programming and design of new facility: collections storage, laboratories, and public engagement elements

## TALLER KEN | ARCHITECTURAL INTERN

Guatemala City, Guatemala 2016

### FunDaMental Design Build

Collaborated with eight other recent graduates on a comprehensive urban design-build intervention. From team genesis to project realization, we saw it through: public and municipal outreach, site selection, fundraising, video production and marketing, conceptual design to prototyping, material acquisition and testing, construction, and public programming.

## PERKINS EASTMAN | ARCHITECTURAL INTERN

New York, NY 2015

### ROUGE Makeup Salon

Designed eye-catching focal point: unique lipstick displays and signage

### Taif Conceptual Masterplan

Developed site organization, zoning, and circulation corridors for a new development in Saudi Arabia. Produced diagrams and conceptual schemes

## JUNK ARCHITECTS | ARCHITECTURAL INTERN

Kansas City, MO 2011-2014

Focus on residential and healthcare projects: surveyed sites, created facade studies, designed addition to single family home, developed construction details, developed marketing materials, general office management

## M. PYLE ART | SCULPTING ASSISTANT

Kansas City, MO 2013-2015

Focus on large-scale statues and busts: Constructed armatures, measured subjects, sculpted elements, developed marketing materials, submitted to RFPs

## APDESIGN | GRADUATE RESEARCH ASSISTANT

Manhattan, KS 2012-2013

Research on the value of design communication through diagramming and writing. Developed various case studies to illustrate effective communication.
